

SMITH-MADRONE

2013-2014-2015 Estate Riesling Vertical Library Re-Releases January 2025

2012

Medium gold with green highlights, powerful developing aromas of oranges, honey, white flowers and petrol. Full creamy mid-palate that finishes with a juicy fruit acidity.

2013

Vibrant medium green gold. Quietly assertive aroma of tangelos, honey and honeysuckle. Full, round, lush and succulent mid-palate. Bursting with flavor and finishing with a lovely display of tasty tartness.

2014

Bright light gold, 2014 is the lightest color of the three wines as might be expected. Snappy piquant, distinctively Riesling aroma with a hint of petrol. Very fruity flavorful wine, filled with youthful vigor. Great fun to drink now – and with the acidity to be a superb wine --- but built for the long haul.
