## 2025 Estate Grown Rosé

The 2025 Smith-Madrone Estate Rosé continues the tradition of being an unusually flavorful and unusually pink wine of complex, succulent flavors.

Redolent with the scent of rhubarb, sour cherries and red currants, the wine immediately reveals its composition of 50% Merlot and 50% Cabernet Franc.

On the palate the wine is fruity, dry, crisp and vibrant. The color and aroma are mirrored beautifully in the delicious sensation of luscious fruit. The wine embodies the most essential element of any really good wine, rosé or not. It is pure fun in a glass.
